ORDER:-

In the reference 3rd read above, the Director of Factories, Telangana, Hyderabad, has stated that a major explosion and fire occurred on 30.6.2025, which resulted in loss of lives of forty four (44) persons and injuries to many persons in the M/s.Sigachi Industries Ltd., Plot Nos.20& 21, IDA, Phase-I, Pashamylaram Village, Patancheru Mandal, Sanga Reddy District, where Microcrystalline Cellulose powder is being manufactured to be used in tablets and capsules as binding agent.

2. In the G.Os 1st & 2nd read above, Government have constituted a Committee with the Expert Members to examine and submit detailed report along with suggestions / recommendations.

3. The Director of Factories, Telangana, Hyderabad has further stated that as per the G.O.Ms.No.9, LET&F Department, Dated: 27.04.2023 factories is consisting of ten (10) Regional Offices headed by the Deputy Chief Inspectors of Factories (DCIF) covering all the thirty three (33) Districts in the State.

4. The Director of Factories, Telangana, Hyderabad has requested the Government to issue orders to constitute the District Level Committees consisting the officials from the departments related to factories and industries to visit the High Risk Factories in the State on the following lines:

(i) To issue instructions to all the District Collectors to conduct sensitization meetings / awareness programs with the assistance of the DCIFs within a week by inviting the Members from the CII, FICCI, FTCCI, IALA etc. and High risk category factories managements in all the thirty three (33) Districts under the Supervision of the Collectors concerned assisted by the officers mentioned in the Committees.

(ii) A self-certification check-list in a prescribed proforma shall be communicated to all the high risk category factories including Chemical and pharma factories by electronically and physically and get the filled in check-list from all those factories managements within a week, without fail.

(iii) For constitution of District Level Committees with the Deputy Chief Inspectors of Factories as Convener and the Officials of the other departments related to factories and industries as members to visit all the 4,061 High risk category factories in the State, duly making an action plan covering old factories first, in phased manner, as shown below:

(a) First phase: Initially, the Committees have to visit all Chemical and Pharma factories, within one (1) month,

Contd...2

(b) Second phase: After completion of the first phase, the Committees have to visit the High Risk category factories, such as Gas bottling, Oil, Paints, Formulation and Biotech factories.

(c) Third phase: Thermal power plants, Cement, Steel and Foundry factories of High risk category factories.

(d) Fourth phase: All the remaining factories of High risk category factories.

(iv) In view of the more number of high risk prone Chemical and pharma factories located in Sangareddy and Medak districts to form more teams of the committees in these two districts by deputing the Deputy Chief Inspectors of Factories, Nizamabad, Karminagar and Hanumakonda as Conveners.

(v) After receipt of the filled in self-certification check-list from the factories managements, the Committees shall visit the factories in phased manner as per above Schedule prepared by the District Level Committees.

(vi) Notwithstanding the phase wise visits suggested above, the Committees are at liberty to visit any factory which warrants such visit, if self-certification check list indicates requirement of such visit.

(vii) Even if the self-certification check list information in the prescribed proforma is not received from any factory management within the stipulated time of one week, the Committees shall visit the said factories without delay.

(viii) After completion of the first phase within one month, all the remaining High Risk Factories in the State mentioned in 2nd, 3rd & 4th phases above shall be visited within the next one (1) month. Hence, the entire exercise in all phases should be completed within two (2) months.

(ix) To issue instructions to the DCIFs of Nizamabad, Karimnagar and Hanumakonda, in the first instance to visit all the Chemical and pharma factories in their original jurisdiction before joining with the Committees in Medak and Sangareddy Districts and also to conduct visit all the remaining High Risk factories in their original jurisdictions within in the stipulated time.
